15/415 BLACK SMOOTH STRAIGHT PP CAP / F217 LINER

It may fit briefs involving cosmetics, personal care, wellness, supplements, household, and specialty products. Closure appearance should not outrank application torque, removal force, liner choice, and repeated-use behavior. For a production-intent package, the 15/415 Black Smooth Straight PP Cap / F217 Liner (Part 138280) offers a defined packaging closure rather than a generic starting point. Final approval should follow closure-fit testing, seal evaluation, decoration review, and shipping trials.
