3 OZ 70/400 WHITE THICK WALL STRAIGHT BASE PP JAR

This jar packaging format deserves evaluation within the complete product and container system. The 70/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. It is relevant to skin-care creams, body butter, hair treatments, wellness powders, and supplements. Confirm compatibility, closure fit, decoration adhesion, line handling, storage, and distribution performance. The objective is a package that feels intentional at every point of use.
