15/415 NAIL POLISH PP CAP MADRID BLACK 15/110

For a production-intent package, the 15/415 Nail Polish PP Cap Madrid Black 15/110 (Part 116690) offers a defined nail-polish closure rather than a generic starting point. The 15/415 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. It is relevant to nail lacquer, treatment, color cosmetics, and professional salon programs. Qualification should cover thread engagement, liner compatibility, line application, and expected storage conditions.

SKU: 116690 | **Categories:** Nail Polish Caps, Nail Polish Components |
