1/2 OZ 13/415 RECTANGULAR CLEAR GLASS BOTTLE

A strong shelf silhouette only works commercially when the bottle also handles predictably through filling and packing. The commercial value of this bottle packaging format depends on disciplined component integration. The format can serve cosmetics, personal care, wellness, supplements, household, and specialty products. Final selection should follow formula testing, closure trials, decoration review, and line qualification. The objective is a package that feels intentional at every point of use.
