2 OZ 48/400 REGULAR WALL STRAIGHT BASE CLEAR PS JAR

Jar selection should balance filling access with closure weight, decoration area, and the product's expected use rate. Appropriate markets can include skin-care creams, body butter, hair treatments, wellness powders, and supplements. This jar packaging format pairs a defined specification with practical manufacturing and consumer-use considerations. Confirm compatibility, closure fit, decoration adhesion, line handling, storage, and distribution performance. The assembled package should communicate quality before the product is used.
