2 OZ 58/400 DOUBLE WALL STRAIGHT BASE WHITE PP JAR

Wall construction influences hand feel and panel stability, especially with dense creams or hot distribution conditions. Part 118890, the 2 oz 58/400 Double Wall Straight Base White PP Jar, addresses both the technical and visual decisions that shape a finished jar packaging format. The format can serve skin-care creams, body butter, hair treatments, wellness powders, and supplements. Production-intent samples should be filled, sealed, decorated, and distribution-tested before commercialization.
