1 DRAM SCREW THREAD AMBER GLASS VIAL 13/425

For a production-intent package, the 1 DRAM Screw Thread Amber Glass Vial 13/425 (Part 114580) offers a defined vial packaging format rather than a generic starting point. Small containers magnify tolerance issues, making finish dimensions, fill accuracy, closure fit, and label registration especially important. Its application range extends to essential oils, fragrance samples, extracts, diagnostics, and laboratory products. Confirm compatibility, closure fit, decoration adhesion, line handling, storage, and distribution performance.

SKU: 114580 | **Category:** Glass Vials |
