10ML PETG ROLL ON BOTTLES

Product teams may consider it for deodorant, fragrance, essential oils, topical treatments, and sun care. Ball clearance must allow smooth wet-out without creating leakage, drag, or excessive product delivery. The 10ml PETG Roll On Bottles is listed as Part 113270 and should be considered as part of the complete package, not in isolation. Filled-package trials should confirm dosage, recovery, sealing, component fit, and shipping performance.

SKU: 113270 | **Categories:** Featured Items, New, PETG Roll On Bottles |
