# 12 ML 15/415 NADINE SW NAIL POLISH GLASS BOTTLE

The 12 ML 15/415 Nadine SW Nail Polish Glass Bottle, PackagingBuyer Part 115530, gives product teams a clearly specified nail-polish bottle for commercial development. Its application range extends to nail lacquer, treatment, base coat, top coat, and salon programs. A distinctive silhouette should still provide stable handling and reliable brush access near the bottom corners. Use representative samples to validate sealing, handling, decoration, storage stability, and shipping durability.
