12 OZ 89/400 REGULAR WALL STRAIGHT BASE WHITE PP JAR

PackagingBuyer Part 120160 identifies the 12 oz 89/400 Regular Wall Straight Base White PP Jar, a jar packaging format worth evaluating for function, presentation, and production fit. Likely development programs include skin-care creams, body butter, hair treatments, wellness powders, and supplements. The 89/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. Commercial approval should reflect filled-package testing under realistic processing and distribution conditions.
