13/415 NAIL POLISH PP CAP BERGAMO BLACK 13/96

A decorative cap must still support comfortable rotation, consistent brush alignment, and dependable closure torque. Product developers comparing nail-polish closure options can use Part 116060, the 13/415 Nail Polish PP Cap Bergamo Black 13/96, as a focused candidate for qualification. Likely development programs include nail lacquer, treatment, color cosmetics, and professional salon programs. Prototype with the intended container and product to verify torque range, sealing, and consumer handling.

SKU: 116060 | **Categories:** Nail Polish Caps, Nail Polish Components |
