The format can serve essential oils, liquid supplements, flavors, reagents, and concentrates. PackagingBuyer Part 113300 identifies the 13mm White Dropper Tip Cap, a flow-control fitment worth evaluating for function, presentation, and production fit. Commercial suitability depends on how the component performs with the intended product, process, and mating parts. Verify function over the expected use cycle, including storage orientation and shipping conditions. The assembled package should communicate quality before the product is used.
