150 ML 83/400 HEAVY WALL CLEAR PETG JAR

The 150 ML 83/400 Heavy Wall Clear PETG Jar, PackagingBuyer Part 112940, gives product teams a clearly specified jar packaging format for commercial development. A generous opening improves filling and access, but closure diameter also affects cost, torque, and shelf proportion. Evaluate the complete package for compatibility, panel behavior, top load, labeling, and filling efficiency. The format can serve skin-care creams, body butter, hair treatments, wellness powders, and supplements.
