16 OZ 28/410 COSMO ROUND CLEAR PET BOTTLE

For a production-intent package, the 16 oz 28/410 Cosmo Round Clear PET Bottle (Part 109870) offers a defined bottle packaging format rather than a generic starting point. Product teams may consider it for personal care, wellness, supplements, specialty foods, beverages, and household products. Container stiffness should be considered against squeeze expectations, top load, storage temperature, and distribution stress. Confirm compatibility, closure fit, decoration adhesion, line handling, storage, and distribution performance.
