Its application range extends to skin-care creams, body butter, hair treatments, wellness powders, and supplements. Sidewall geometry should be judged for label laydown, panel resistance, and how cleanly users can recover product. Part 120200 should be judged on technical fit, line performance, and the finished user experience. Use representative samples to validate sealing, handling, decoration, storage stability, and shipping durability. The best result will balance line efficiency with intuitive consumer use.
