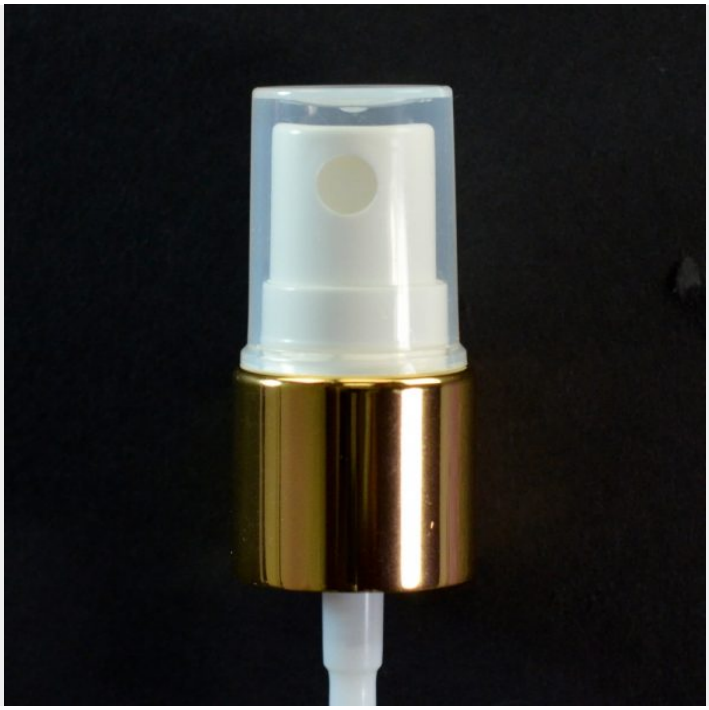
18/415 FINE MIST SPRAYER SHINY GOLD/WHITE/CLARIFIED HOOD



SKU: 127560 | **Categories:** Fine Mist Sprayers, Metal Overshell Fine Mist Sprayers, Sprayers |

PRODUCT DESCRIPTION

Plume width and droplet size should suit the use distance; a fine cosmetic mist differs from a targeted spray. For Part 127560, the central question is how the fine-mist sprayer behaves in the assembled package. The

format can serve facial mist, fragrance, hair care, sun care, and aromatherapy. Prototype with the production formula to evaluate flow, user effort, leakage, and repeatability. The best result will balance line efficiency with intuitive consumer use.
