18 MM FINE MIST SPRAYER SILVER/SILVER LOW PROFILE CRIMP NECK

SKU: 128140 | **Categories:** Fine Mist Sprayers, Metal Overshell Fine Mist Sprayers, Sprayers |

PRODUCT DESCRIPTION

Part 128140 should be judged on technical fit, line performance, and the finished user experience. Plume width and droplet size should suit the use distance; a fine cosmetic mist differs from a targeted spray. Test the actual

formula for output, priming, leakage, actuation feel, and distribution durability. It is relevant to facial mist, fragrance, hair care, sun care, and aromatherapy. Good component decisions here can prevent costly changes during scale-up.
