

2 OZ 24/410 CYLINDER ROUND WHITE LDPE BOTTLE

The 2 oz 24/410 Cylinder Round White LDPE Bottle (Part 110130) gives brands a concrete bottle packaging format for balancing usability, manufacturing, and shelf communication. Profile selection affects more than appearance; it also influences labeling, conveyor stability, case count, and consumer grip. It may fit briefs involving cosmetics, personal care, wellness, supplements, household, and specialty products. Commercial approval should reflect filled-package testing under realistic processing and distribution conditions.
