2 OZ 58/400 CLEAR THICK WALL STRAIGHT BASE PS JAR

CONTACT US
FOR DETAILS

Potential uses include skin-care creams, body butter, hair treatments, wellness powders, and supplements. This jar packaging format pairs a defined specification with practical manufacturing and consumer-use considerations. Sidewall geometry should be judged for label laydown, panel resistance, and how cleanly users can recover product. Commercial approval should reflect filled-package testing under realistic processing and distribution conditions. The assembled package should communicate quality before the product is used.
