# 2 OZ WHITE MALIBU TOTTLE 24/410 MDPE

**SKU:** 140480 | **Categories:** Malibu Tottle Tubes, Tottle Tubes, Tubes |

## PRODUCT DESCRIPTION

This tottle tube deserves evaluation within the complete product and container system. The 24/410 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing

behavior. Product teams may consider it for conditioners, creams, gels, masks, cleansers, and body care. Use representative samples to validate sealing, handling, decoration, storage stability, and shipping durability. The objective is a package that feels intentional at every point of use.
