20/415 TREATMENT PUMP SHINY SILVER/WHITE/CLEAR HOOD

Product teams may consider it for serums, facial concentrates, scalp care, and targeted treatments. Small dosage targets make prime count, output consistency, actuator feel, and formula recovery especially visible to users. When the brief calls for a well-defined treatment pump, Part 126740, the 20/415 Treatment Pump Shiny Silver/White/Clear Hood, provides a practical specification to evaluate. Verify function over the expected use cycle, including storage orientation and shipping conditions.
