SKU: 128160 | **Categories:** Fine Mist Sprayers, Metal Overshell Fine Mist Sprayers, Sprayers |

PRODUCT DESCRIPTION

This fine-mist sprayer deserves evaluation within the complete product and container system. Prototype with the production formula to evaluate flow, user effort, leakage, and repeatability. Plume width and droplet size

should suit the use distance; a fine cosmetic mist differs from a targeted spray. Appropriate markets can include facial mist, fragrance, hair care, sun care, and aromatherapy. The assembled package should communicate quality before the product is used.
