20MM NATURAL ORIFICE REDUCER FRICTION FIT 0.560 X 0.060

Packaging engineers can assess Part 113760, the 20mm Natural Orifice Reducer Friction Fit 0.560 X 0.060, against the product, process, and presentation requirements of the program. Commercial suitability depends on how the component performs with the intended product, process, and mating parts. Test the actual formula for output, priming, leakage, actuation feel, and distribution durability. Likely development programs include essential oils, liquid supplements, flavors, reagents, and concentrates.

SKU: 113760 | **Categories:** Fitments and Dropper Caps, Reducers |
