20MM NATURAL ORIFICE REDUCER FRICTION FIT 0.575 X 0.125

PackagingBuyer Part 113730 identifies the 20mm Natural Orifice Reducer Friction Fit 0.575 X 0.125, a flow-control fitment worth evaluating for function, presentation, and production fit. Prototype with the production formula to evaluate flow, user effort, leakage, and repeatability. The component should be evaluated within the assembled package, where tolerances and user interaction become more meaningful. Product teams may consider it for essential oils, liquid supplements, flavors, reagents, and concentrates.

SKU: 113730 | **Categories:** Fitments and Dropper Caps, Reducers |
