FOR DETAILS

Product developers comparing packaging closure options can use Part 129860, the 22/400 Black Smooth Polytop Dispensing Cap PP, as a focused candidate for qualification. It may fit briefs involving cosmetics, personal care, wellness, supplements, household, and specialty products. The 22/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. Prototype with the intended container and product to verify torque range, sealing, and consumer handling.
