22/400 BLACK SMOOTH STRAIGHT PP CAP / F217 LINER

CONTACT US
FOR DETAILS

Even on the same neck finish, liner thickness and thread engagement can materially change seal performance. Product teams may consider it for cosmetics, personal care, wellness, supplements, household, and specialty products. This packaging closure pairs a defined specification with practical manufacturing and consumer-use considerations. Final approval should follow closure-fit testing, seal evaluation, decoration review, and shipping trials. A thoughtful specification gives operations and brand teams the same target.

SKU: 138370 | **Categories:** Caps, Non-Dispensing Caps, Plastic Caps, Smooth Black PP Caps |
