22/400 PURPLE METAL OVERSHELL TUBE CAP 1.9 X .835

For a production-intent package, the 22/400 Purple Metal Overshell Tube Cap 1.9 x .835 (Part 131680) offers a defined collapsible tube rather than a generic starting point. Decoration must tolerate flexing while the tube still protects the formula through repeated handling and storage. Appropriate markets can include skin care, hair care, sun care, oral care, and personal care. Confirm compatibility, closure fit, decoration adhesion, line handling, storage, and distribution performance.
