FOR DETAILS

The 22/415 White Ribbed Polytop Dispensing Cap PP is listed as Part 129910 and should be considered as part of the complete package, not in isolation. Confirm thread fit, torque, liner performance, leakage resistance, and opening behavior on production containers. Nominal finish compatibility is only the first screen; thread profile, land geometry, torque, and liner compression decide sealing. It may fit briefs involving cosmetics, personal care, wellness, supplements, household, and specialty products.
