24/410 WHITE UREA X TALL CAP F217

It may fit briefs involving prestige beauty, wellness, pharmaceutical, supplement, and specialty-product packaging. Part 134000, the 24/410 White Urea X Tall Cap F217, addresses both the technical and visual decisions that shape a finished compression-molded closure. A premium cap profile still requires careful review of thread engagement, liner compression, and removal force. Final approval should follow closure-fit testing, seal evaluation, decoration review, and shipping trials.
