24MM NATURAL ORIFICE REDUCER FRICTION FIT 0.725 X 0.125

Commercial suitability depends on how the component performs with the intended product, process, and mating parts. Specified as Part 113900, the 24mm Natural Orifice Reducer Friction Fit 0.725 X 0.125 brings its key size, finish, material, and color attributes into one development reference. Likely development programs include essential oils, liquid supplements, flavors, reagents, and concentrates. Filled-package trials should confirm dosage, recovery, sealing, component fit, and shipping performance.

SKU: 113900 | **Categories:** Fitments and Dropper Caps, Reducers |
