25 CC PLASTIC MEASURING SCOOP NATURAL SHORT HANDLE 3.147 X 1.647 X 1.098

Part 122130 should be judged on technical fit, line performance, and the finished user experience. Handle length should provide comfortable access without interfering with closure application or pack-out efficiency. Confirm compatibility, closure fit, decoration adhesion, line handling, storage, and distribution performance. It may fit briefs involving protein powders, supplements, wellness mixes, bath products, and pet care. This keeps sourcing decisions tied to measurable package requirements.

SKU: 122130 | **Categories:** Plastic Measuring Scoops, Specialty Items |
