

25 OZ 89/400 NATURAL HDPE WIDE MOUTH REGULAR WALL STRAIGHT SIDED JAR

Part 120430 should be judged on technical fit, line performance, and the finished user experience. The 89/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. It may fit briefs involving skin-care creams, body butter, hair treatments, wellness powders, and supplements. Evaluate the complete package for compatibility, panel behavior, top load, labeling, and filling efficiency. The best result will balance line efficiency with intuitive consumer use.
