28/410 BLACK RIBBED DISPENSING CAP TWIST OPEN PP

The 28/410 Black Ribbed Dispensing Cap Twist Open PP, PackagingBuyer Part 130110, gives product teams a clearly specified directional dispensing closure for commercial development. Tip diameter controls placement and flow, so it should be selected around viscosity and the precision expected by users. Likely development programs include adhesives, hair color, laboratory liquids, craft products, and specialty chemicals. Confirm thread fit, torque, liner performance, leakage resistance, and opening behavior on production containers.

SKU: 130110 | **Categories:** Caps, Dispensing Caps, Plastic Caps, Plastic Polytop Caps |
