350 ML 28/410 METRIC OBLONG CLEAR PET BOTTLE

Part 107400, the 350 ml 28/410 Metric Oblong Clear PET Bottle, addresses both the technical and visual decisions that shape a finished bottle packaging format. A strong shelf silhouette only works commercially when the bottle also handles predictably through filling and packing. Production-intent samples should be filled, sealed, decorated, and distribution-tested before commercialization. Appropriate markets can include personal care, wellness, supplements, specialty foods, beverages, and household products.
