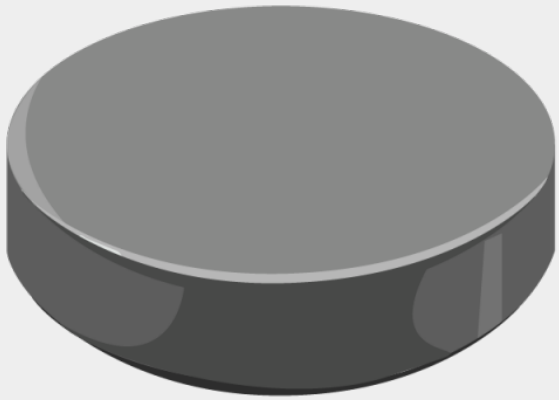
38/400 WHITE UREA X TALL CAP F217



The 38/400 White Urea X Tall Cap F217 (Part 135620) gives brands a concrete compression-molded closure for balancing usability, manufacturing, and shelf communication. The 38/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. The format can serve prestige beauty, wellness, pharmaceutical, supplement, and specialty-product packaging. Prototype with the intended container and product to verify torque range, sealing, and consumer handling.

SKU: 135620 | **Categories:** Caps, Compression Molded Caps, Non-Dispensing Caps, Plastic Caps |
