4 OZ 48/485 FLINT ROUND SPICE GLASS JAR

For a production-intent package, the 4 OZ 48/485 Flint Round Spice Glass Jar (Part 118390) offers a defined spice dispensing closure rather than a generic starting point. Commercial suitability depends on how the component performs with the intended product, process, and mating parts. Appropriate markets can include powdered supplements, bath products, pet-care powders, and granular household products. Confirm thread fit, torque, liner performance, leakage resistance, and opening behavior on production containers.
