

4 OZ 58/400 WIDE MOUTH EMERALD PET JAR

Part 120760 should be judged on technical fit, line performance, and the finished user experience. The 58/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. The format can serve skin-care creams, body butter, hair treatments, wellness powders, and supplements. Final selection should follow formula testing, closure trials, decoration review, and line qualification. Good component decisions here can prevent costly changes during scale-up.
