4 OZ WHITE MDPE TUBE 1 1/2 X 5 7/16 WITH WHITE SMOOTH FLIPTOP

SKU: 140360 | **Categories:** Soft (Collapsible) Tubes, Tubes |

PRODUCT DESCRIPTION

The commercial value of this collapsible tube depends on disciplined component integration. Decoration must tolerate flexing while the tube still protects the formula through repeated handling and storage. Likely

development programs include skin care, hair care, sun care, oral care, and personal care. Use representative samples to validate sealing, handling, decoration, storage stability, and shipping durability. A thoughtful specification gives operations and brand teams the same target.
