40/400 WHITE UREA PLATEAU CAP F217

The 40/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. It may fit briefs involving prestige beauty, wellness, pharmaceutical, supplement, and specialty-product packaging. This compression-molded closure deserves evaluation within the complete product and container system. Qualification should cover thread engagement, liner compatibility, line application, and expected storage conditions. The assembled package should communicate quality before the product is used.

SKU: 135790 | **Categories:** Caps, Compression Molded Caps, Non-Dispensing Caps, Plastic Caps |
