45/400 SMOOTH TRANS DARK GREEN NUTRAFLAPPER DISPENSING PP CAP

Part 129490 describes the 45/400 Smooth Trans Dark Green NutraFlapper Dispensing PP Cap, a flapper dispensing closure whose commercial value depends on thoughtful component integration. Hole pattern and flap design determine whether powders dispense evenly or bridge, flood, and collect around the deck. Likely development programs include powdered supplements, bath salts, pet-care powders, and granular household products. Use filled-package trials to qualify fit, liner compression, leakage, and repeated opening performance.

SKU: 129490 | **Categories:** Caps, Dispensing Caps, Flapper Caps, Plastic Caps |
