48/400 WHITE SMOOTH STRAIGHT PP MALANG MATT CAP / UNLINED

Likely development programs include cosmetics, personal care, wellness, supplements, household, and specialty products. For a production-intent package, the 48/400 White Smooth Straight PP Malang Matt Cap / Unlined (Part 138000) offers a defined packaging closure rather than a generic starting point. Even on the same neck finish, liner thickness and thread engagement can materially change seal performance. Use filled-package trials to qualify fit, liner compression, leakage, and repeated opening performance.
