# 50 ML 53/400 HEAVY WALL CLEAR PETG JAR

It may fit briefs involving skin-care creams, body butter, hair treatments, wellness powders, and supplements. Packaging engineers can assess Part 112920, the 50 ML 53/400 Heavy Wall Clear PETG Jar, against the product, process, and presentation requirements of the program. The 53/400 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. Confirm compatibility, closure fit, decoration adhesion, line handling, storage, and distribution performance.
