51/400 WHITE UREA ROYAL CAP F217

The development value of Part 136290, the 51/400 White Urea Royal Cap F217, lies in how its stated attributes guide component pairing and positioning. Phenolic rigidity supports a precise feel, but liner selection and torque remain central to reliable sealing. It is relevant to prestige beauty, wellness, pharmaceutical, supplement, and specialty-product packaging. Confirm thread fit, torque, liner performance, leakage resistance, and opening behavior on production containers.

SKU: 136290 | **Categories:** Caps, Compression Molded Caps, Non-Dispensing Caps, Plastic Caps |
