63/400 WHITE UREA PLATEAU CAP F217

Part 136810 describes the 63/400 White Urea Plateau Cap F217, a compression-molded closure whose commercial value depends on thoughtful component integration. Tall and decorative profiles can improve presence while adding leverage that makes torque control more noticeable to users. Use filled-package trials to qualify fit, liner compression, leakage, and repeated opening performance. It may fit briefs involving prestige beauty, wellness, pharmaceutical, supplement, and specialty-product packaging.

SKU: 136810 | **Categories:** Caps, Compression Molded Caps, Non-Dispensing Caps, Plastic Caps |
