8 ML 13/415 ORNELLA NAIL POLISH GLASS BOTTLE

The 13/415 designation should be verified dimensionally because nominal finish names do not guarantee identical sealing behavior. PackagingBuyer Part 115190 identifies the 8 ML 13/415 Ornella Nail Polish Glass Bottle, a nail-polish bottle worth evaluating for function, presentation, and production fit. Its application range extends to nail lacquer, treatment, base coat, top coat, and salon programs. Final selection should follow formula testing, closure trials, decoration review, and line qualification.
