8 OZ 89/400 DOUBLE WALL STRAIGHT BASE IMF PP JAR

When the brief calls for a well-defined jar packaging format, Part 118980, the 8 oz 89/400 Double Wall Straight Base IMF PP Jar, provides a practical specification to evaluate. It is relevant to skin-care creams, body butter, hair treatments, wellness powders, and supplements. Wall construction influences hand feel and panel stability, especially with dense creams or hot distribution conditions. Production-intent samples should be filled, sealed, decorated, and distribution-tested before commercialization.
