E3 SILVER METALZIED ECLIPSE CAP F217

The format can serve prestige beauty, wellness, pharmaceutical, supplement, and specialty-product packaging. Part 134530 should be judged on technical fit, line performance, and the finished user experience. A premium cap profile still requires careful review of thread engagement, liner compression, and removal force. Before release, evaluate application torque, seal integrity, removal force, and distribution performance. The best result will balance line efficiency with intuitive consumer use.
